### **Conference Workshops and Conference Sessions:**

The Conference Workshops (3hrs.) occur on Thursday for an additional fee. It is recommended that participants sign up in advance for workshops since the workshop may be closed at the on-site registration. Participants self-select which SESSIONS to attend since there are several that occur concurrently. It is best to read through the conference program and decide which sessions to attend. General registration covers participation in all sessions and access to the Exhibit Hall. The SCOLT luncheon on Friday and the FLANC luncheon on Saturday are an additional fee. Participants may register for a two-day or a three-day conference as indicated on the registration form. If you have questions, contact Lynne McClendon, SCOLT Executive Director: [lynnemcc@mindspring.com](mailto:lynnemcc@mindspring.com)

### **PLU/CEU Credit:**

An Attendance Verification Form will be printed in the program. The participant should list the WORKSHOPS (Thursday only) and/or SESSIONS attended in the space provided on the form as well as the time segment for each. Since local requirements for credit vary, participants should check with their local, state, or district administrator for the exact requirements and filing procedures. It may be helpful to submit the conference program booklet and/or your conference badge along with the Verification form. If your administration/district requires further verification of attendance, the SCOLT Executive Director can email that information to the person designated by the participant.
